

## DANCORE Young Professionals Day

21 April 2017, Copenhagen

On Friday 21 April 2017, DANCORE will host its annual Young Professionals Day at the Department of Geosciences and Natural Resource Management, University of Copenhagen. This annual event provides the platform for young researchers and professionals to present and discuss their work within coastal and marine research projects. It is hereby also a platform for disseminating and integrating new knowledge generated within Danish universities, research institutes, agencies and the private sector. We heartily encourage the agencies and the private sector to participate in order to meet and greet the new generation of researchers and professionals.

Participation is free of charge and includes tea and coffee. Lunch can be bought in the canteen or you may bring your own lunch to the canteen.

***We still have a few free slots in the programme so please contact us in case you have some recent or ongoing work that you wish to present and share with the community.***

Further information on the programme will follow shortly.

Please register with the DANCORE office at [office@dancore.dk](mailto:office@dancore.dk) by 7 April 2017.

### Venue

Auditorium C

Department of Geosciences and Natural Resource Management, University of Copenhagen  
Geocenter Denmark, Øster Voldgade 10, 1350 Copenhagen K
