- The document should be approximately 400-600 words long
- Include the subject of your Bachelor thesis and/or information about your past academic projects/achievements (e.g. research, papers, conferences, etc.)
- Highlight relevant work or internship experience if applicable
- State your future research and academic interests and explain why you have chosen to study at DTU and how the programme you have applied for will help you in your academic pursuits.
- If you are applying to more than one MSc Eng Programme, please make sure that you prepare a separate SOP for each programme you apply for.
