

# DTU Inaugural Lecture – Online only

Frieder Lucklum was recently appointed professor MSO at DTU Electrical Engineering.

We would therefore like to invite interested parties to his inaugural lecture:

**“From MEMS, Ultrasonic Sensors, and 3D-Printing to Phononics and Mechanical-Acoustic Microsystems”**

Friday 6 November at 3pm.

Due to the Covid19 crisis the lecture will take place via Zoom: [link](#) and be streamed on Youtube: [link](#)
