How to log on to the Mathematics portal

1. Order your username and password at Unistart.dtu.dk.
   
   *If you have just ordered your username and password, it may take up to 3 hours, before you can access the Mathematics portal.*

2. Log on to DTU’s intranet DTU Inside using Google Chrome or Firefox.

3. Choose “My courses and groups” in the horizontal menu bar and then choose “Bachelor”.

4. Press “General Engineering” in the menu to the left and then “General Engineering [the year of your study start]”.

5. Choose Maple TA in order to access the page with math assignments and register for the brush-up course in mathematics at Lyngby Campus.
