

Pre-assessment form for applicants with a non-Danish upper secondary exam

DTU offers to pre-assess your non-Danish upper secondary exam in order for you to find out what your subject levels equate in the Danish system. We only look at subjects that make up the specific entry requirements for the degree/degrees you are planning on applying to. Be aware that the assessment is carried out according to current rules and that the assessment is only valid at DTU.

You have to:

- Fill in the form below
- Fill in the Statement of Hours form
- Scan both forms as PDF documents along with your exam papers and upload all documents as one PDF file at unistart.dtu.dk.

First name	
Last name	
Degree(s) you are going to apply to	
Your upper secondary exam is from this country	
The name of your upper secondary exam is	
The year you finished / will finish your upper secondary exam
