

# DTU CareerWeek 2024 invite

Below you will find an overview of the formats that you can participate in and contribute to during this year's DTU CareerWeek. Below each format is a short introduction as well as information on price.

Please note: in order to participate in CareerWeek 2024 you must be open to hiring international students - 46% of our Master students are international students.

Application deadline: **Thursday 23 May 2024. [Click here to apply](#)**

We emphasize that we cannot give any guarantee that your company will be registered to participate in CareerWeek 2024 - regardless of how many or few formats you apply for. We will send out confirmation emails to participating companies in June 2024.

Participation in DTU CareerWeek 2024 secures your company exposure in central locations at DTU and across digital marketing campaigns shared with all DTU students.

## 4th November: RECRUITMENT TIPS & TRICKS

12pm - 1.30pm OR 5pm - 6.30pm

*4 companies are selected*

Give a presentation in English of approx. 30 minutes about the recruitment process in your company on a central stage at DTU. Please tell the students how you spot the right candidate based on their CV and application, whether you use tests and how to best apply unsolicited. Emphasize exactly what is very unique to your recruitment process.

After the presentation, you can network with the students and have an informal chat about your company and career opportunities within your company.

PRICE DKK 18,000 + VAT (catering for registered participants is included in the price)

## 5th November: CAREER BAZAAR

12pm - 2pm

*20 companies are selected*

Our popular Career Bazaar is an event where you can meet our bright students around your company stall with room for one roll up and engage in a dialogue with them about career opportunities in your company. There is a minimum requirement of posting 1 x student job in DTU Career Hub prior to attending this event.

PRICE DKK: SME's 5,000 + VAT // Large companies 8,000 + VAT (coffee and cake is included in the price)

## 6th November: COFFEE MEETINGS

11am - 3pm

*10 companies are selected*

1:1 networking with students! Make yourself available for students to book you for a coffee meeting so they can enter a dialogue with you about your company and your company's career opportunities. A fantastic way to get closer to our talented students and contribute to their career considerations in calm, relaxed and informal settings - helping the students practice this job-hunting discipline, which can give access to the "hidden" job opportunities.

We allow for 20 minutes for each individual coffee meeting to give the student a dedicated and personal experience with your company. We make a café table available with space for one conversation at a time.

PRICE DKK 12,000 + VAT (coffee and cake is included in the price)

## 6th + 7th November: PRE-PAIR - in collaboration with DSE

10.30am - 2.30pm

*2 x 12 companies are selected*

Are you looking for skilled engineering interns? Then PRE-PAIR is just the thing for you. Here you get the opportunity to "speed date" our Bachelor of Engineering students, who must complete an internship as part of their education.

PRE-PAIR is a speed dating concept focused on internships where each candidate who wishes to have a conversation with your company applies for a speed talk by answering 3 questions. Participating companies get 12 unique conversations of 8 minutes length each. Before the event, the students must apply for the internship interviews with your company, and you can choose between the students you wish to have an interview with.

PRE-PAIR is organized by the student organization De Studerendes Erhvervskontakt (DSE) on both Ballerup Campus (6th Nov.) and Lyngby Campus (7th Nov.).

If you are interested in PRE-PAIR, [you can register here](#)

PRICE DKK 12,000 + VAT (catering for participants is included in the price)

## 7th November: MOCK INTERVIEW

12pm - 1.30pm

*1 company is selected*

Perform a fictitious job interview in English - a mock interview - in front of the students on a central stage at DTU and give them a better understanding of how a job interview takes place at your place.

By performing such a mock interview, you can e.g. give the students examples of the questions you might ask in a job interview - and of the questions the students could appropriately ask you in such a situation.

This event can give you an opportunity to talk about dos and don'ts in a job interview with your company. All in all, this is a fun and different way to give the students insights into your organization and the path to a career with you. At the end, you can have a good, informal chat with the students.

PRICE DKK 15,000 + VAT (catering for participants is included in the price)

## 8th November: GRADUATE PROGRAMMES MARKETPLACE

11.30am - 1.30pm

*15 companies are selected*

Get your company a stand to promote your graduate programs. At this event you get to meet our students who are interested in Graduate Programmes when we arrange a marketplace centrally at DTU.

Participation includes exposure at central locations at DTU, in the promotion of DTU CareerWeek 2024 as well as exposure of your graduate programs with 1-2 slides on a centrally located large screen.

PRICE DKK 8,000 + VAT (coffee & cake is included in the price)
